

SCHOOL-BASED DECISION MAKING

School: Jane Hite Elementary

Subject of the Policy: Determination of the Use of School Space

Policy Statement

By August 1 of each year, the principal shall develop a plan for the use of school space during the day. Assignments of school space and other campus areas shall be based upon the following:

- Class Size
- Program space need
- Accessibility for students
- Appropriate supervision of students
- Safety
- Close proximity of instructional teaching teams
- Overall effective school management
- Input from staff
- If a change is necessary, the principal will notify those affected as soon as possible verbally and in writing, to explain the necessity of the change.
